

POWER OF ATTORNEY
TRANS ADRIATIC PIPELINE AG
BAAR, SWITZERLAND

By this Power of Attorney, made this 7 day of June 2021, Mr. Luca Schieppati, Managing Director of the company Trans Adriatic Pipeline AG, a company limited by shares ("Aktiengesellschaft"), organised and existing under and by virtue of the laws of Switzerland registered with the Commercial Register of the Canton of Zug (Switzerland) under the number CHE-113.500.620, with a registered office in Lindenstrasse 2, 6340 Baar, Switzerland (the Company), with an Albanian branch named, "Trans Adriatic Pipeline AG Albania", Rruga Papa Gjon Pali II, ABA Business Centre, Kati 9, Tirane, Shqiperi, with NUIS K92402023O (the Branch), by virtue of Company's Board of Directors Resolution dated 29 January 2020, hereby appoints the below mentioned individual as legal representative of the Company for certain activities of the Branch as mentioned below and delegate to him the exercise of certain powers and competences delegated to him by virtue of the abovementioned resolution of the Board of Directors and assigns to him legal representation of the Company as regards the certain activities of its Branch and day to day operations, as detailed below:

The below individual shall be appointed as the legal representative of the Company and such appointment shall be registered pursuant to article 37(e) and 43, (1) of law 9723 dated 03/05/2007 "On National Registration Centre". The respective individual shall be responsible for the activities of the Branch as follows:

1. **Peter Francis'**, born on 20/11/1960, residing at ABA Business Center, 9th Floor, Office No.906, Street Papa Gjon Pali II 1010 Tirana, Albania, British national, owner of the UK passport with the number 099252311 issued by IPS on 12 April 2012, Tax Registration Number 172361749, Peter Francis is responsible for operational construction issues, security related issues for any construction sites and project offices, environmental protection issues relating to construction, health and safety related issues, as well as for the cultural heritage issues of the Branch related to the construction, namely – indicatively and not restrictively:
 - 1.1 Responsible for local supervision and coordination of construction works of the onshore and offshore section of the natural gas pipeline - when necessary - and for its accompanying facilities, such as Compressor and B/V Stations, storage spaces (including any other infrastructure or equipment required for emerging construction requirements for the Albanian section of the 'Trans Adriatic Pipeline' with their surroundings), civil engineering works, installation of fibre optic cable and automated Supervisory Control And Data Acquisition (SCADA) system, installing and using technical electronic devices, preventing, restoring, repairing and reconstruction of on-site damages that the project incurs, complying with the requirements and technical standards arising from the legislation in force (including, but not limited to, relevant laws, regulations, models, rules of good practice in the field), applying relevant standards, where applicable, organising and supervising of any construction sites, site - management activities, i.e. the engineering, procurement and construction (EPC) contracts of the pipeline and its accompanying facilities as regards the execution of any construction works of the Albanian section of the 'Trans Adriatic' natural gas pipeline.
 - 1.2 Responsible for environmental issues relating to construction, including, but not limited to, compliance with and implementation of environmental legislation (implementation of approved environmental terms, implementation of practices for the prevention and minimisation of any type of pollution, management of materials and substances that may

be produced during construction of the project, management of solid or liquid waste, rubbish, restoration of spaces), compliance with and implementation of the urban and land planning legislation, implementation of anti-flood protection works, implementation of drainage and runoff of rains.

- 1.3 Responsible for dealing with cultural heritage issues and issues regarding the protection of any archaeological findings' and, generally, for coordinating compliance with and implementation of the laws for the protection of antiquities during any construction activities.
- 1.4 Responsible for the implementation of the security of the project and personnel working at Company's construction sites and project's office in Albania and for coordinating the safe and smooth conduct of the construction works, including assessment of security needs of the personnel, the worksite and the project office and, taking all measures that may be deemed necessary to guarantee the security of the personnel and of the places, coordinating the appointment of specialised companies to protect and monitor any construction worksite and project office, the implementation of emergency action and crisis management plans during construction , responsible for implementing technical policing (including, but not limited to, investigation, alerting and dealing with emergency events, evacuation, removal of personnel, automobiles and equipment, taking of information measures).
- 1.5 Responsible for implementing health and safety at construction sites and project offices, for the prevention of accidents at the above workplaces and for compliance with all the health and safety regulations, including the coordination for installing and renewal of equipment to satisfy safety needs, reinstatement of cracks, safety of the employees working on the project under both normal and extraordinary circumstances (including, but not limited to, damage, accidents, fire), , the compliance with labour legislation and with the health and safety regulation (including, but not limited to, 10237, dated 18.02.2010 "On the health and safety at work" and Decision of Council of Ministers No. 312, dated 05.05.2010 as amended or as maybe amended from time to time) for the employees working at construction sites, organising of the construction sites, implementation of health and safety measures, prevention of work accidents, marking-signage, installing and maintaining of enclosures/palings, railings, safety barriers), as well as responsible for any activity, act or other duty assigned based on internal regulations as regards construction activities of the Project "Trans Adriatic Pipeline" including construction for the expansion phase, which he is obliged to monitor and supervise.
- 1.6 Responsible for dealing with issues relating to project permits required for the construction activities (existing or not) and with the submission of the relevant applications to the state, the ministries, or/and any other competent authority or/and public utilities companies or also local government units for the issue/issuing and obtaining of the necessary, according to the legislation in force, licenses of all kinds relating to the construction activities, including environmental licenses, installation acts and installation licenses and construction licenses, forestry licenses, forest installation protocols, building permits and the rest of the project licenses **other than those permits related to operation and maintenance**, even if not explicitly listed/named in the present, as well as for their amendment or extension.
- 1.7 Responsible for coordinating the lease, easement, acquisition and management of the required land for the construction of the Project / construction activities and, more specifically, responsible for dealing with issues that might arise as regards the expropriation

limits or/and compulsory acquisition of rights on the land of the Project and properties adjacent to the Project or affecting the construction or function of the Project, except for sale and disposal of Company's assets.

1.8 Responsible for issues regarding the acquisition and management of the relevant rights on land, their preserving, extension renewal, amendment and termination either through the concluding of agreements, or through compulsory acquisition, indicatively but without limitation, according to the provisions of the Law 116 dated 15.04.2013 and other related legislation, (other than the sale and disposal of Company's assets) as well as land compensations, including the following:

- a. To negotiate, execute, amend, approve, perfect, consent, sign and undertake any necessary action in accordance with internal procedures and guidelines in respect to any contractual documents, declarations, certificates, notarial deeds, which are directly or indirectly related to the purchase and/or lease and/or easement, and/or termination of lease rights and/or compensation (as the case may be) relating to the Project land; and in general act, do, perform and make all matters, acts or things, which the above authorised representative shall in his absolute discretion consider desirable or necessary so that the above transaction(s) is/are fully perfected and materialised;
- b. To undertake all necessary actions required for the legal transcription of the above transaction(s) in the relevant books kept by the competent Land Registry/Cadastral Office;
- c. To transfer in the name and on behalf of the Company to the land owner and/or lessor and/or right holder's Bank account the agreed consideration and/or lease price and/or compensation (as the case may be) in execution of the above transaction(s);
- d. To sign letters to the land owners and/or lessors and/or right holders granting consent to or rejecting, as the case may be, the transfer, encumbrance or in other way disposal and/or amendment of their rights on the property, over which the Company has lease or other land rights, including rights in rem;
- e. To appear in the name and on behalf of the Company before all competent administrative, fiscal and judicial authorities and services and to proceed to all actions required in order for the above transaction(s) to be duly completed by the Company before the Albanian tax and any other competent authority.

1.9 Peter Francis to whom the aforementioned under 1.7 and 1.8 powers are assigned can further assign all or any of the aforementioned under 1.7 and 1.8 activities to employees of the Company or to third parties/persons, by virtue of general or special authorisation, specifying the concrete acts or categories of acts and generally the object/scope of the authorisation, as prescribed by law.

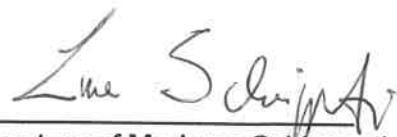

1.10 All transactions that do not exceed the amount of one hundred fifty thousand (150,000) euros.

1.11 Moreover, the aforementioned legal representative, Peter Francis, is granted the power, acting individually, to represent the Company before third parties and all administrative and

judicial authorities (civil, criminal and administrative) for issues concerning the responsibilities mentioned above, including the power to initiate criminal and civil or administrative action against any third party and to defend Company's rights in case of any third party actions against the Company for events falling within the aforementioned areas, namely the power to file, on behalf of the Company, lawsuits, criminal complaints, declarations, etc as regards the aforementioned issues or to withdraw from them, to state that the Company will attend the proceedings to support the accusation in all pre-trial proceedings or during trial proceedings or to withdraw, to exercise all rights the Company is entitled to, to file the legal remedies that are prescribed by law or/and appeals against Court and Judicial Council decisions and ordinances, and to withdraw from such remedies, to submit applications, pleadings, additional pleadings, memoranda, objections and all kind of legal documents, prescribed by law, for the protection of the interests and rights of the Company during the aforementioned proceedings, to propose witnesses, experts, technical experts/advisors and to adduce all kinds of evidence in criminal, civil and administrative proceedings that are connected with the aforementioned issues and to authorise third persons and to appoint attorneys with the above special/specific orders and competencies and to generally act as required for the satisfaction of the Company's legal interests during the whole duration, in all stages and instances before any administrative or civil courts for the issues of his responsibility and competence, as described above.

- 2. The appointment of Richard Yves Anstey**, born on 09.07.1959, British national, owner of the UK passport with the number 761271442 issued by UK FCO, Tax Registration Number 0700281824 as legal representative of the Branch, by virtue of the Company's Power of Attorney dated 4 March 2020 is hereby repealed with effect from 31st of March 2021.
- 3. The appointment of Gabriele Lanza**, born in Atessa (Chieti) on 4 January 1963, Tax Payer's Code LNZGRL63A04A485Tas legal representative of the Branch, by virtue of the Company's Power of Attorney dated 4 March 2020 is hereby repealed with effect from 31st of January 2021.
- 4. The powers provided to Malfor Nuri**, Country Manager Albania, born on 21st of March 1964, in Tirana, Albania, resident in Rr. Kodra Derhemit, Vilat Toskana, Vila B41045, Farke, Tirana, holder of an Albanian Passport number BR6111267 issued on 6th of March 2019 in Albania, as the legal representative of the Company by virtue of Company's Power of Attorney dated 4 March 2020 will continue to remain in force.
5. The powers and competencies under item 1 above delegated to Peter Francis by virtue of this Power of Attorney, shall be effective from the date of this Power of Attorney.
6. This Power of Attorney is governed by and shall be construed in accordance with the provisions of Albanian law.
